THE FIRST SIDE-ACCESS PEDESTAL; ADDING NEW FUNCTIONALITY TO ACCOMMODATE MODERN OFFICES

The HON Company's new Flagship[®] Side-Access Pedestal is the industry's first pedestal of its kind and offers unique features and benefits designed to accommodate the demands of today's contemporary office environment. As the latest addition to the premium Flagship Series storage line, the new Side-Access Pedestal allows users to keep frequently accessed items within an arm's length, yet out of sight.

- Offers creative storage solutions for both work and personal items
- Boasts broad range of options and accessories
 - Selections include a piling shelf, CD/DVD holder, oversized object holder, folder bin, file tub, hanging file rack, full-size shelf and pencil tray
- Available in many pre-configured options or personal customization by the end-user
- Improves productivity through efficient management of daily materials and business projects
- Delivers flexibility and long-term value
- Design coordinates with existing Flagship Series storage and system components to offer a fully integrated look
